The previous Examiner's reasons for allowance is hereby void in view of inadvertant allowance of canceled claim 1 due to inadvertent error.

The following is a **Supplemenatry Examiner's Statement of Reasons for Allowance:**

Claims 2 and 8-12 are directed to isolated nucleic acid molecules encoding a specific human serine/threonine kinase, vectors and hosts comprising said molecules. Claimed molecules are free of prior art. Further the prior art does not teach or suggest preparing such specifically claimed molecules. Hence, said molecules are also non-obvious.

Claims 2 and 8-12 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
